

Dental Care

Expanded dental plan includes preventive, comprehensive, and a higher annual maximum.

Dental health can have a direct impact on your overall health and well-being and may influence the development of certain conditions, such as diabetes and heart disease. Preventive dental services are included in all benefit offerings and include dental cleanings, oral exams, X-rays, and Medicare-covered exams.

For 2023, we are expanding our coverage to include comprehensive dental care, such as fillings, dentures, and crowns. Your annual maximum for comprehensive dental is \$3,000, in addition to your \$750 maximum for preventive care.
